

The Heartbreak

Rilès

Bang, bang, bang
She fucked it up
She stole my heart
But she rose my soul, my soul
She rose my soul, listen babe
Bang, bang, bang
She fucked it up
She stole my heart
But she rose my soul, my soul
She rose my soul, let me say
Hey
What you've done?
Look at me
Look at me now

I guess I shouldn't make a song for you
Why the fuck I felt like at home with you?
But sometimes home ain't 'bout 4 walls
It's just two eyes and a heartbeat
And you fucked it up on your own, don't ya?
I guess I should've shed a tear for you
But I ain't really had the time for it
I used to have a good heart
Now tell me where the fuck he at
I might have lost it in your bed
Babe I know I was young
And maybe I was stupid
Is it 'cuz I hate love that I'd rather fuck them groupies?
I came off as strong but the inner me was dying
Acting like nothing's wrong
Maybe I'm good at lying

Bang, bang, bang
She fucked it up
She stole my heart
But she rose my soul, my soul
She rose my soul, let me say
Hey
What you've done?
Look at me
Look at me now

I guess I should've been involved in it
I guess I should've bought you flowers, ain't it?
But ego's hell of a drug
I don't want to lose it up
So Imma love you like I love baby
I which I was a better me for ya
But I don't really have the time for it
They'd rather build relationships
But they all look undecided
When they be talking about their own future
Yeah I know I'm still young
And I know I'm fucking stupid
To say I came off as strong
Damn I'm really good at lying

Bang, bang, bang
She fucked it up
She stole my heart
But she rose my soul, my soul
She rose my soul, let me say
Hey
What you've done?
Look at me
Look at me now

Maybe you tried
Not to love me
Only when you were drunk
Only when you were high

Bang, bang, bang
She fucked it up
She stole my heart
Tho she rose my soul, my soul
She rose my soul
Bang, bang, bang
She fucked it up
She stole my heart
But she rose my soul, my soul
She rose my soul, let me say
Hey
What you've done?
Look at me
Look at me now
