

TIME OUT (P²)

Rilès

Where should I start or where should I go?
To every demon inside my head who want my downfall
Like I predicted everything every since that album
Well, the past is over, I need me to freaking move on

I ain't a novice, you might see me as past in your lane
Just cuz I didn't do numbers don't mean I can't son the game
Shoutout to Seb who started the fire cuz it's really real
I'd rather burn out than being somebody I didn't mean to

"Why are you losing so many followers now?
Like... what's happening?
52 songs this year, yet you're still fading away!
'Cause... nobody listens to you anymore!
You should've killed yourself after your 1st album!"

I swear to god
It's a phase
I'll be back on my bullshit
I swear to mama
They're blocking my songs every time
52 tracks to get out my deal
It's obnoxious
4 years of panic made me wanna quit every time

Get up
Get real
Take risks
I quit them drugs
God bless
2020 I'm faded
24/7 I'm tripping
Didn't want to leave my city
Shit I need to make it
I'm signed in the US for a mili
WTF I'm doing in LA?
Losing myself, man I hate it
Maybe you're right
I should've done it...

Ahhhhh...

DO IT! JUST DO IT!
WHAT ARE YOU WAITING FOR?
JUST DO IT! DO IT! DO IT!
YES YOU CAN!

Leave the past where it is
Take a rest
Take your time
Take it easy
Take a breath
You're designed to be free from yourself
Without leaving a mess
R-I-L-E-S

Everytime he shares his life

He loses a part of his sanity
For how long this shit will last?
Can't seem to find his identity

My next project's gon' be the last one
Each decision is the right one
If I keep thinking about it, I run

If I don't care
If I don't care
If I don't shoot you
If I don't care
If I don't care
If I don't shoot

If I don't care
If I don't care
If I don't shoot you
If I don't care
If I don't care
If I don't shoot

Goddamn
Goddamn
Goddamn
Get the fuck out my head

Everyday's like it's my last day
Every word's to backup my trace
Ever since I made it my way
Don't know what else to say
I mean
- Peace of mind, I need
- Getting out my deal
- Breaking hearts, indeed
- Making more M's
- Wasting time, I did
- Drugs and money, weed
- Suicidal kid
Why should I even stay? I mean...

"Because you witnessed the experience from another world
Remember, you died twice"

Nah, nah, nah... that's bullshit
I mean...
Switch that shit already, yea
Faster

Got amnesia
(Got amnesia)
Forgot who I was
(Who I was)
Had em visions
(Had em visions)
All about time
(Spoke to someone)

I don't like paranormal
I don't talk 'bout it no more
I don't need a new season
Hourglass, I broke em all

Tempted
It's like in my bones
My jinx
Guided my way

Too tempted
Pardon my sins
My time
Isn't forever

Tempted
Pardon my sins
My time
Isn't forever
My time
Isn't forever
My time out
Time out
Time out
