

Who Cares

Rilès

'Cause the best is the most conscious
When I'm with you I don't talk, bitch I'm not nervous
Analyzing every thought, they all say "who's this ?"
It's the motherfucking man, they call him "Rilès"

Rilè? Rilè? Rilè.. What?
Bitch I said "Rilès"
Story of a guy who can make classics
And nobody gives a fuck cause he lives in France
He's like talking to a wall but the wall is deaf
He's like dreaming of the stars, he's already dead
"Nigga stop it now, industry's so fake
And you drowning everyday,
Brother you should brake"
Yeah, motherfucker you're right I should break yo neck
Better call an ambulance 'cause your flow's been raped
Stop your jubulance bitch you ain't no great
Never eat my enemies, I don't fuck with pigs
Nigga trynna fuck the world
But my dick too big, whoa

I won't find my way 'cause I'm 'bout to rebuild it
Brother I won't fit this case, 'cause I was born to destroy it
Fronting all these dumbasses, more Cartesian than you know
René (Descartes) you ain't retarded but I just killed "impossible"

I don't give a fuck if you tell me it's for ten years or two
Never mind if you think that I ain't one of a kind
I just give two fucks 'cause you don't, too, with all the shit I do
And you don't know how rare is the probability to find me
Don't give a fuck if you tell me it's for ten years or two,
Never mind if you think that I ain't one of a kind
I just give two fucks 'cause you don't, too, with all the shit I do
And you don't know how rare is the probability two find me

When he riding in the streets
With his niggas, with the clique
Don't know what the problem is
'Cause no one's dealing with his shit
They say "he too artistic, he too implicit"
But he knows that all they want is some bass
Bangerz, commercial music
(Rilès)
Everyday I hear that I'm insane I say "fuck it, fuck it"
But I can also see hypocrisy surrounding me, tell me
One more fucking time that you bought my shit
I only see five sellings (for real) I know who's in it
Bitch ass bitches
You ain't the realest,
'Cause the realest know that Rilès
Is so reckless and so fearless,
THAT HE CAN BEAT ALL THESE NIGGGAAAS

"Hahahahaha you can't kill me
You can't kill me, 'cause I am Rilès
R-I-L-E-S motherfucker
Remember the motherfucking name bitch"
