

WORST BEHAVIOR

Rilès

Hey hey hey hey
You better wake the fuck up

Kick it, fuckep up
Break in, walk up
She like how I beat box
When I'm in it
I came in fuck a dance floor
I don't play goofy shit, no time
I'm on my worst behavior
Two henny, fuck a 3ein all night

Baby girl
Is you thirsty?
Fifteen month, I forgot how to chase right
I like to
Get in straight
Taking shortcuts, no control in my life

I know you like starring at me girl
Everyone in my circle told me
You're the meanest and you're a freak girl
Now you all in my mind , I'm diving

All in
All night
Alone
Inside
I can't think about shit but
Slide in left and right
Boots and cats in your punani like I

Kick it, fuckep up
Break in, walk up
She like how I beat box
When I'm in it
I came in fuck a dance floor
I don't play goofy shit, no time
I'm on my worst behavior
Two henny, fuck a 3ein all night

Ay, Ay, Ayo
Bring them in
There's a whole lotta bitches in here
Come on, let's go

I walk it, I talk it
Luching in and out myself
Waking my demons
Working out my inner sins
And I ain't here to play it like dummies
I fucking astounding
I can dive without drowning

I switch my big brain
A hundred thousand bitch
Motherfuck won't crack my spirit

I smoke my strain
And I'm looking for trouble
Yes I'm liking all kinds of tension
I say
Goddamn son
Stay In your lane
There's a big boss walking on your way

I swear son
Watchout your steps
Ain't no slim fuck walking over me

I came in fuck a dance floor
I don't play goofy shit, no time
I'm on my worst behavior
Two henny, fuck a 3ein all night
I came in fuck a dance floor
I don't play goofy shit, no time
I'm on my worst behavior
Two henny, fuck a 3ein all night

Kick it, fuckep up
Break in, walk up
She like how I beat box
When I'm in it
