RIMON

Said when you goin' realize
When you goin' realize
Visions evolving
When you goin' realize
When you goin' realize
These problems we solvin'

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah

Ah, nonstop, Stacked up
Caught up in the drive, top notch
The first drop, when you realize, top chop
Your eyes drop, wearing crop tops
When we chillin' at the rooftop, champagne pop (pop, pop)

Tryin' stick it up to the ceiling
Mami no stress, we eatin'
Nothing ever comes easy
Now we pop champagne like a b-day

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah

Said when you goin' realize
When you goin' realize
Visions evolving
When you goin' realize
When you goin' realize
These problems we solvin'

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah

I said bum-pom-pom-pom-pom-pom
Fire tunes exploding like bum-bum-bum
All family, no one is random-dom
Waving hands to the man-dom
Showing parties, saying come come come

Tryin' stick it up to the ceiling
Mami no stress, we eatin'
Nothing ever comes easy
Now we pop champagne like a b-day

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah

Said when you goin' realize
When you goin' realize
Visions evolving
When you goin' realize
When you goin' realize

These problems we solvin'

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah

These problems we solvin'

Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
Way-ya, way-ya, way-ya, way-ya-ah
