Rimzee

I love the way she rides, she a rider
Fucking in the air, I'll pick you up like a spider
Got me switching off my Lyca
I don't want the neck if it's like Blac Chyna's
I seen you out in London, had to bag you like an onion
Put you on that counter, that fridge or the cupboard
You in Ann Summers, I'm all up in your stomach
She tried running and I caught her like a summons
I'm in that pussy raw, she a good girl but I fuck her like a whore
Make you clap like an applause
We can do it in the whip, stamina Rimz
Hold her throat while I chop her like a brick
Bend her back, manual handling, killer like Cam'ron
Went jail twenty-one, came home I'm a savage
I make her ride it like CBT
Porn star but she ain't in no DVD

You deserve an award, when she ride she nah stall
Anyting we do, dat's normal
And me dat she a call every time she ah bawl
Anyting we do, dat's normal
I know what you want, mi give you anyting you want
Any, anyting you want

Sip three Magnums, grip her like my hand ting
I talk money, don't speak no other language
All my drip Italian, three gyal in an Addison
Pulling up at the Marriott, jukking her like I'm stabbing her
Wife at home, she my new ting [?]
Akh I went to war like Tony
I did it for the club like Opie
My brudda if you know then you know G
Them man chill, coming in like chewing gum
Yard ting, I heard she wants myself for England
Food coming over from yard like the Windrush
Gyal on my Twitter, got gyal pon my Insta
She's got new hair, new nails and everything turn up
Bare coca sales and I feel like I'm Dudus
With my BM up inna the BM
A hundred gyal up in my DM cah they love rude boy Tommy Egan

You deserve an award, when she ride she nah stall
Anyting we do, dat's normal
And me dat she a call every time she ah bawl
Anyting we do, dat's normal
