

Akasaka Sad

Rina Sawayama

Hotel corridor
Blacked out rear window
Crawling under my skin
Flew here to escape
But I feel the same
Jet lag making me thin

Sucks to be me
Sucks to be so lonely
Egyptian sheets
Unravelling slowly
Don't look at me
Fragile I bruise easily
You make me

Akasaka Sad
Cos I'm a sucker, sucker, so I suffer
Akasaka Sawayama
Just like my mother
Akasaka Sad
Cos I'm a sucker, sucker, so I suffer
Akasaka Sawayama
Just like my father

Akasaka Sad
I guess I'll be sad
Akasaka Sad
I guess I'll be sad
Forever and ever
And ever
Wherever
Forever

Akasaka Sad

28 and I still wanna scream
Can't face who I can and can't be
5938 miles between you

You make me
Akasaka Sad
Cos I'm a sucker, sucker, so I suffer
Akasaka Sawayama (Sawayama)
Just like my mother
Akasaka Sad
Cos I'm a sucker, sucker, so I suffer
Akasaka Sawayama
Just like my father

Akasaka Sad
I guess I'll be sad
Akasaka Sad

I guess I'll be sad
Forever and ever
And ever
Wherever
Forever
Akasaka Sad
I guess I'll be sad
Akasaka Sad
I guess I'll be sad
Forever and ever
And ever
Wherever
I go Forever
