

# Chosen Family

Rina Sawayama

Tell me your story and I'll tell you mine  
I'm all ears, take your time, we've got all night  
Show me the rivers crossed, the mountains scaled  
Show me who made you walk all the way here

Ooh  
Settle down, put your bags down  
Ooh  
You're alright now

We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are  
My chosen, chosen family  
So what if we don't look the same?  
We been going through the same thing  
Yeah, you are, you are  
My chosen, chosen family

Hand me a pen and I'll rewrite the pain  
When you're ready, we'll turn the page together  
Open a bottle, it's time we celebrate  
Who you were, who you are  
We're one and the same

We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are  
My chosen, chosen family  
So what if we don't look the same?  
We been going through the same thing  
Yeah, you are, you are  
My chosen, chosen family

I chose you  
You chose me  
I chose (chosen family)  
I chose you  
You chose me  
We're alright now

We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are  
My chosen, chosen family  
So what if we don't look the same?  
We been going through the same pain  
Yeah, you are, you are  
My chosen, chosen family  
We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are  
My chosen, chosen family  
So what if we don't look the same?  
We been going through the same pain  
Yeah, you are, you are  
My chosen, chosen family

We don't need to be related to relate  
We don't need to share genes or a surname  
You are, you are  
My chosen, chosen family  
So what if we don't look the same?  
We been going through the same pain  
Yeah, you are, you are  
My chosen, chosen family
