

Snakeskin

Rina Sawayama

Looking for forgiveness
I ran into your madness
Shutting off my brain just to spite my heart

You're slithering slithering slithering into my heart yea
You changing your changing your changing your changing my mind yea
I'm shedding I'm shedding I'm shedding I'm shedding my snakeskin
You're wearing it wearing it wearing it every day yea

Buy my expensive, exclusive, pain wear
My fine couture is your branded repayment
I tear my soul into two so that you can
Pretend despair

Like a snakeskin, l-l-l-like a snakeskin
Like a snakeskin, l-l-l-like a snakeskin
Like a snakeskin
Like a snakeskin
Wear me out and tear me down like

Rip rip rip rip rip rip
I'll tear u down like
Strip strip strip strip strip strip
So run before I
Bit bit bit bit bit bit
And make u all
Addicted addicted
Addicted to my snakeskin
Rip rip rip rip rip rip
I'll tear u down like
Strip strip strip strip strip strip
So run before I
Bit bit bit bit bit bit
And make u all
Addicted addicted
Addicted to my snakeskin

Buy my expensive, exclusive, pain wear
My fine couture is your branded repayment
I tear my soul into two so that you can
Pretend despair

Like a snakeskin, l-l-l-like a snakeskin
Like a snakeskin, l-l-l-like a snakeskin
Like a snakeskin
Like a snakeskin
Wear me out and tear me down like
