

## Miss Jean

Ringo Starr

Well I read that letter that you sent me  
Yesterday  
But I don't understand half the things  
That you say

Miss Jean  
Miss Jean  
Tell me what it means  
Here she comes again  
With that nothing but trouble grin, yeah

I can do the shimmy  
I can do the shake  
I can do the peppermint twist  
If that's what it takes

Miss Jean  
Miss Jean  
Tell me what it means  
Here she comes again  
With that nothing but trouble grin, yeah

Well I saw you in the backyard  
With a glass of wine  
Talking on the telephone  
On a private line

Miss Jean  
Miss Jean  
Tell me what it means  
Here she comes again  
With that nothing but trouble grin, yeah
