

Money

Ringo Starr

The best things in life are free
But you can keep them for the birds and bees

Now, give me money (That's what I want)
That's what I want (That's what I want)
That's what I want (That's what I want)
That's what I want

Your lovin' gives me a thrill
But your lovin' don't pay my bills

Now, give me money (That's what I want)
That's what I want (That's what I want)
That's what I want (That's what I want)
That's what I want

Money don't get everything, it's true
But what it don't get, I can't use

Now, give me money (That's what I want)
That's what I want (That's what I want)
That's what I want (That's what I want)
That's what I want

Money don't get everything, it's true
But what it don't get, I can't use

Now, give me money (That's what I want)
That's what I want (That's what I want)
That's what I want (That's what I want)
That's what I want

You give me money (That's what I want)
Whole lot of money (That's what I want)
Yeah, give me money (That's what I want)
Give me lots of money, baby (That's what I want)
That's what I want (That's what I want)
That's what I want
Yeah, give me money, baby (That's what I want)
Gotta give me lots of money, baby (That's what I want)
Give me money (That's what I want)
I said, money (That's what I want)
That's what I want (That's what I want)
That's what I want
