

Satisfied

Ringo Starr

Give me all the time you have
Won't be satisfied
I'm happy when you hold my hand
Still not satisfied

And when you tell me it's time to go
I'll ask you for a minute more
And if you never leave my side
I won't be satisfied

If I only have one day with you
Won't be satisfied
Even with a year or two
Still not satisfied

I'm not asking for too much
Not of smile or a touch
And if you never leave my side
I won't be satisfied, I'm not satisfied

I spend my lifetime looking
For someone like you
And when you lay next to me
You made a dream come true

I spend my lifetime looking
For someone like you
And when you lay next to me
You made a dream come true

Here in the morning light
Yes, I'm satisfied
If I'm never out of your sight
I am satisfied

I only want to hear your smile
I want forever not just a while
And if you never leave my side
I'll be satisfied

(Oh, satisfied)
Yes, satisfied
(Oh, satisfied)
Hum, satisfied

(Oh, satisfied)
I'll be satisfied
(Oh, satisfied)

Oh, oh, oh, oh, yeah
Oh, oh, oh, oh, yeah
Oh, oh, oh, oh, yeah

Oh, satisfied
