

Shadows On The Wall

Ringo Starr

La-la-la-la-la-la-la
La-la-la-la-la-la-la

I see faces on the highway
I can't hear a word that they say

Somewhere that I know
Down on the road
Where the roses grow so tall
High and low
We come and go
Like shadows on the wall

La-la-la-la-la-la-la

I wonder do the faces see me
I've seen everything you could see

Somewhere that I know
Down on the road
Where the roses grow so tall
High and low
We come and go
Like shadows on the wall

La-la-la-la-la-la-la
La-la-la-la-la-la-la

Somewhere that I know
Down on the road
Where the roses grow so tall
High and low
We come and go
Like shadows on the wall

Somewhere that I know
Down on the road
I can see it all
High and low
We come and go
Like shadows on the wall

La-la-la-la-la-la-la
La-la-la-la-la-la-la
