Ooh, no

If I'd known that things would end this way (No—)

Then I'd be on my own (I'd be on my own)

I'd rather look at your face (F-f-f-f—)

And I don't wanna know (Know, know, no—)

And I don't wanna know (Left me in the cold, come on)

And I don't wanna know

And I don't wanna know, know

And I don't wanna—

And I don't wanna—

If I'd known that things would end this way (No—)

Then I'd be on my own (I'd be on my own)

I'd rather look at your face (F-f-f-f-face)

And I don't wanna know (Know, know, no—)

And I don't wanna know (Left me in the cold, come on)

And I don't wanna know

And I don't wanna know, know

And I don't wanna—

And I don't wanna—
