

Can't Keep Myself Intact

Riovaz

Can't give myself a break
I feel the pressure crawling through my skin
Can't leave myself to waste
And she just wanna party like a movie star
She said forget the rest
And I can't keep myself intact
Just pierce me through the chest

Cause who will I be?
And what will I know?
Girl keep it disclosed
The chemistry between you and I has failed
Cause who will I be?
And how will I grasp the attention of those surrounding me?

And come and take your things
Might as well go dry your eyes
I lie in bed can't sleep
And I feel like I've lost my mind

Cause I
Can't leave myself to waste
And she just wanna party like a movie star
She said forget the rest
And I can't keep myself intact
Just pierce me through the chest

And she just wanna party like a movie star
She said forget the rest
And I can't keep myself intact
Just pierce me through the chest
