

# Hypnotized

Riovaz

You been blamin' me, me, me, me  
And I can't seem to keep you away  
And I can't seem to put it to bed  
Girl I hope you know you're not the only one  
Who's seen me for what I am  
And I could care less what they say about me  
I don't care  
I don't care  
I could care less what they say about me  
You let me have you hypnotized

I feel safe  
With you now  
Close my eyes  
I'm hypnotised  
How did you bring me back?

I'll keep it a stack  
I don't know how we got here

I didn't wanna (didn't wanna)  
Fall in love (fall in love)  
But here you are  
My superstar

It's hard to let you in  
But you're all under my skin  
Told you a million times

You let me have you hypnotized
