Not here for long baby I'm taking off
Don't care if you cry my love it's not my fault
I've seen your lies I've felt it all go wrong
I never wanna fall in love again

Again again
I never wanna fall in love again
Again again
I never wanna fall

Not here for long baby I'm taking off
Don't care if you cry my love it's not my fault
I've seen your lies I've felt it all go wrong
I never wanna fall

And don't you give it up
And don't you stay with me
And don't you give it up
And don't you stay with me
Don't you
Don't don't don't you
Don't you
Don't don't don't you
