Don't look my way there's nothing here for you
Just know your trust isn't safe with me
Don't come my way there's nothing here to do
Isn't safe with me

Maybe when the suns down tell me how no lights feel
I just need to slow down baby let me calm down
Maybe when the suns down tell me how no lights feel
I just need to slow down baby let me calm down

You're so unpredictable (ah, ah)
You're so unpredictable
You're so unpredictable (ah, ah)
You're so unpredictable

(Ahhhhh)

Maybe when the suns down tell me how no lights feel
I just need to slow down baby let me calm down
Maybe when the suns down tell me how no lights feel
I just need to slow down baby let me calm down

You're so unpredictable (ah, ah)
You're so unpredictable
You're so unpredictable (ah, ah)
You're so unpredictable

(Ahhhhhh)

You're so unpredictable
You're so unpredictable
You're so unpredictable
(Ahhhhh)
