

## Backup

Ripe

All of my demons at war  
Heavy, the weight of their sores  
I have a voice in my head sayin'  
"I'll be fine", but he's been wrong before  
Under that weight in my heart  
Feelin' too tired to start  
My inner voice is afraid  
But I can't let that fear drive  
(Whoo-ooh) With the stakes this high, it's a hell of a fall  
(Whoo-ooh) When I'm worried, I know who to call

Call in the cavalry  
The heavyweights  
When I'm not sure about my getaway  
I'm not afraid to call  
Backup is on the way  
To fight the enemy  
The fear in me  
When I'm not sure about most anythin'  
I'm not afraid to call  
Backup is on the way  
Is on the way  
Backup is on the way

Spinnin' like merry-go-rounds  
Feelin' more safe upside-down  
See, it gets to be hard when I allow for  
Anyone to change my mind  
(Whoo-ooh) With the stakes this high, it's a hell of a fall  
(Whoo-ooh) When I'm worried, I know who to call

Call in the cavalry  
The heavyweights  
When I'm not sure about my getaway  
I'm not afraid to call  
Backup is on the way  
To fight the enemy  
The fear in me  
When I'm not sure about most anythin'  
I'm not afraid to call  
Backup is on the way  
Is on the way  
Backup is on the way  
(Whoa-whoa, whoa-whoa, oh-whoa, whoa)  
(Whoa-whoa, whoa-whoa, oh-whoa, whoa)

I've been waitin' for a friend  
Who's someone who can help me  
Deal with this somethin'  
I've been waitin' for a friend  
Who's someone who can help me  
Deal with this somethin'

Call in the cavalry  
The heavyweights  
When I'm not sure about my getaway  
I'm not afraid to call

Backup is on the way  
To fight the enemy  
The fear in me  
When I'm not sure about most anythin'  
I'm not afraid to call  
Backup is on the way  
Is on the way  
Backup is on the way  
(Whoa-whoa, whoa-whoa, oh-whoa, whoa)  
(Whoa-whoa, whoa-whoa)  
Backup is on the way
