

Down With The Darkside

Ripe

Must have been the morning, or maybe early evening
The days can run together when you live like this
Now comes the good life, but life can be deceiving
But sometimes, things are so perfect, you can't resist

You would call it blasphemy and I won't let it bother me
I'd rather light a fire than just sit here wasting sparks, so
Just put your trust in me, I promise to forever be the one
To get you on your feet
Just watch me, just watch me

I just don't know which way to go
Just fine, I'm down with the dark side
And I just don't care who I see there
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side

Maybe I gone crazy, but I'm alright with maybe
I'm down with this insanity if it makes me groove
And it's good to see you dancin', great to see you through the rhythm
Between you and the beat, I could never choose

You would call it blasphemy and I won't let it bother me
I'd rather light a fire than just sit here wasting sparks, so
Just put your trust in me, I promise to forever be the one
To get you on your feet
Just watch me, just watch me

I just don't know which way to go
Just fine, I'm down with the dark side
I just don't care who I see there
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side

Everybody knows rhythm runs this town
And what's the use in worrying?
Life can't be lived if it's underground
And I would dedicate a song for you
If you just dance the way you want to
One more time for the dark side
Where we belong

Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa

One more time and it's back to the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
One more time and it's back to the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
Just fine, I'm down with the dark side
Whoa-oh, whoa-oh-oh
Whoa-oh, whoa-oh-whoa
One more time and it's back to the dark side
