

On My Mind

Ripe

It's a little blurry how the whole thing started
I don't really don't know what you intended
Thought that you were cute and you could make me jealous
Poured it down, so I poured it down
Next thing that I know, I'm in a hotel with you
You were talking deep like it was mad love to you
Thought that I was real, but I just liked your tattoos
Poured it down, so I poured it down

And my heart don't understand this
You don't mess with love, you mess with the truth
And I know I shouldn't say this
But my heart don't understand

Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind

I always hear, always hear them talking
Talking 'bout a girl, 'bout a girl with my name
Saying that I hurt you, but I just don't get it
You didn't love me, no, not really
Wait
I could have really liked you
I guess, I guess that's why I can't stop thinking 'bout you
It's a shame, you thought I was cool
So I poured it down, yes, I poured it down

And my heart don't understand this
You don't mess with love, you mess with the truth
And I know I shouldn't say this
But my heart don't understand

Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind

You got yourself in a dangerous zone
'Cause we both have the fear, fear of being alone

And my heart don't understand it
You don't mess with love, you mess with the truth
And I know I shouldn't say this

I don't understand

Why I got you on my mind

Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
(You think you know somebody)
Why I got you on my mind
