

## Pedro

## Ripe

Saratoga in the summertime  
Is where these hooligans all gather 'round  
Spendin' the weekend at a friend of mine  
Tryin' to catch that crooked sound  
So find me faded at the festival  
I don't know how I'm gettin' home  
So put your faith in a character, babe  
Whose name you probably should already know

Pedro (Pedro)  
Won't you take the wheel?  
Pedro (Pedro)  
I thought we had a deal  
Pedro (Pedro)  
Who told you you could steal?  
And Pedro, Pedro, Pedro  
I don't know what to feel

Fast forward, it's now 2 AM and I'm not sure what I'm doin' here  
All I know, buddy, is you'd be my friend if you could only get your shift in gear  
He refuses, puts me back in the dark  
And now I'm just tryin' to make it out alive  
And Pedro, the worst part about this  
Is now you just get to go back to livin' your life

Pedro (Pedro)  
Won't you take the wheel?  
A-Pedro (Pedro)  
I thought we had a deal  
Pedro (Pedro)  
Who told you you could steal?  
And Pedro, Pedro, Pedro  
I don't know what to feel

Maybe I'll take the back seat for now  
I kinda like it  
Maybe I'll take the back seat for now

Back of the mind, back of the teeth  
I mean, you can tell when it's workin'  
And this lunatic crew is payin' its dues  
To figure the problem  
I have a fear that we walk around alienated  
Like there's no way in hell me and he share the experience  
I wonder if everyone  
A-feelin' so separate  
Means that there's an emotion here  
An emotion that resonates  
I apologize breathlessly  
For the way that it goes  
Oh no

Oh no, Pedro, where'd you go?  
I need someone to take me home  
Singin', oh no, Pedro, where'd you go?  
I need someone to take me home

Oh no, Pedro, where'd you go?  
I need someone to take me home  
Oh no, Pedro, where'd you go?  
I need someone to take me home

Pedro (Pedro)  
Won't you take the wheel?  
Oh no, no, Pedro (Pedro)  
I thought we had a deal  
Pedro (Pedro)  
Who told you you could steal?  
Oh no, no, Pedro  
Somebody take me home, no  
(Pedro)
