

Say It To Me

Ripe

You already know how the moment starts
One more tourist spillin' his guts in Echo Park
Dam's about to burst, scared of where you are
I'll be right here tellin' you, tellin' you I know it's hard

I know it's hard
For you to say what you're feelin'
I'll wait until
I'll wait until
Until you say, until you say
Say what you mean
Until you say, until you say
Say it to me

Pressure slowly builds, livin' leaves a scar
'Til you're screamin', gettin' us kicked out of this bar
Starin' at yourself, scared of who you are
I'm right here tellin' you, tellin' you I know it's hard (I know it's hard)

I know it's hard (I know it's hard)
For you to say what you're feelin'
I'll wait until (I'll wait until)
I'll wait until (I'll wait until)
Until you say, until you say
Say what you mean
Until you say, until you say
Say it to me

Try to remember, no matter what happens
I'll be here to tell you again and again and again
Believe me I know what you're thinkin'
I'll be here to tell you, to tell you that I know it's hard (I know it's hard)

I know it's hard (I know it's hard)
For you to say what you're feelin'
I'll wait until
I'll wait until
Until you say, until you say
Say what you mean
Until you say, until you say
Say it to me
