

Yesterday's Clothes

Ripe

Darlin', does your head get heavy?
Do you get tired of searchin' for a shoulder to lean?
Oh, is your pain just temporary?
See, I think life's got a way of granting you what you need
Exactly what you need
And I understand my bias
I've lived a life been riddled with ease
But it doesn't, no, it don't make me a liar
It simply means that you don't have to listen to me
But why not listen to me?

And if I'm honest, I'm scared too
Of death and loneliness
But hey, I'm just as scared as you
So joyful, I'm envious
With so much life to live

Darlin', are you food for the vultures?
The second half of someone else's favorite song?
Oh, did you know I dreamt you tall as a giant?
Do you have an idea of how you'll grow before long?
You will be grown before long

And if I'm honest, I'm scared too
Of death and loneliness
But hey, I'm just as scared as you
So joyful, I'm envious
(Ah, no, no)

Little one, so full of doubt
Won't you hear me out?
Don't wash me out (Don't wash me out)
Don't wash me out (Don't wash me out)
Like yesterday's old dirty clothes, don't wash me out
Don't wash me out (Don't wash me out)
Don't wash me out (Don't wash me out)
Like yesterday's old dirty clothes, don't wash me out
Don't wash me out (Don't wash me out)
Don't wash me out (Don't wash me out)
Like yesterday's old dirty clothes, don't wash me out (Don't wash me out)
Don't wash me out (Don't wash me out)
Don't wash me out (Don't wash me out)
I'm born too bright to fade away, don't wash me out
Don't wash me out
Don't wash me out
Don't wash me out

To my extended family and my new friends
I'd like to take this moment to welcome you in
I got this little part that I like to sing
If I'm lucky, I'll hear you singin' too

It goes
One more time for all my friends
One more time for all my friends
One more time for all my friends
One more time for all my friends (Uh)

One more time for all my friends
One more time for all my friends
One more time for all my friends
