

# Shogun No Shi

Rise Of The Northstar

Time's for conflict 'cause life is a balance  
No more escape you've lost your last chance  
And we thought we were fucking safe  
Hooked at this poor human race

I cross the path of a child  
Ichi ni san shi  
He told me about the shield  
Ichi ni san shi  
Hidden in a corner of my heart  
Ichi ni san shi  
Ready to destroy the dirt  
Ichi ni san shi

At your age, it's time to die  
Nothing good'll come out of you anymore  
At this point my story becomes a lie  
Fly high, cry low  
Did I hear you long ago?  
Watch me swim and grow  
To float and know...  
To know how to drown

I cross the path of a child  
Ichi ni san shi  
He told me about the shield  
Ichi ni san shi  
Hidden in a corner of my heart  
Ichi ni san shi  
Ready to destroy the dirt  
Ichi ni san shi

Take it  
Take it all  
Take my power  
Once for all  
It's not a showdown  
It's an execution  
It's an execution  
It's an execution

I cross the path of a child  
Ichi ni san shi  
He told me about the shield  
Ichi ni san shi  
Hidden in a corner of my heart  
Ichi ni san shi  
Ready to destroy the dirt  
Ichi ni san shi
