### Rise Of The Northstar

Hey yo wassup mother fucker  
Rise of the Northstar is back  
Straight from Paris, go to the Koshien  
Represent our style until we die  
Da furyo style, bosozokus warriors  
Shonan soldiers, united under the same banner  
Facing all dogmas...  
Here comes our era!

Eye for an eye  
Tooth for a tooth  
Applying this rule you will see the sky  
Falling from the roof!  
Yeah I'm a young bastard teacher  
But I told ya, I don't wannabe a soldier, It's over  
I will not become the one I'm not, mother fuck  
Da wolf-pup grew up, tip tap top, you can rile up, but...  
Bring back da furyo style!

Muhahahaa!  
And I hear all these sheeps laugh of us  
Muhahahaa!  
Don't know yet bleat and they wanna test wolves?  
Muhahahaa!  
They attack, get angry but that's enough  
Muhahahaa!  
"Wolf Cruelty Claw" straigh to your throat!

Back in black  
Back on bacs  
My crazy team comes to mark tests  
It's a fact, we're no longer anyone  
Go to the contact, fuck your contracts  
If I wanna make money I won't do this art  
Da boss of my world, I wanna stay  
Boss of my business, but here to stay  
Damn, you don't like these reasons?  
Give me a favor, and join Michael Jackson  
Damn, you were here before us so you think you fix da rules, kings of nothin  
g?  
But fuck! Remind me what you do except to complain and criticize?  
Shut a fuck up! Take your distance for a while...  
Bring back da furyo style!

Muhahahaa!  
And I hear all these sheeps laugh of us  
Muhahahaa!  
Don't know yet bleat and they wanna test wolves?  
Muhahahaa!  
They attack, get angry but that's enough  
Muhahahaa!  
"Wolf Cruelty Claw" straigh to your throat!

Like an executioner I'm hidden  
To remind you my mission, protect my gaiden  
I will overcome, the pit will be mine  
Kenshiro era and you already died!

Muhahahaa!  
And I hear all these sheeps laugh of us  
Muhahahaa!  
Don't know yet bleat and they wanna test wolves?  
Muhahahaa!  
They attack, get angry but that's enough  
Muhahahaa!  
"Wolf Cruelty Claw" straigh to your throat!
