

Crazy Love

Rita Coolidge

I can hear his heart beat for a thousand miles
And the heavens open every time he smiles
And when I come to him that's where I belong
Yet I'm running to him like a river's song

He give me love, love, love, love, crazy love
He give me love, love, love, love, crazy love

Gotta fine sense of humor when I'm feeling low down
And I come to him when the sun go down yeah
Take away my trouble, take away my grief
Take away my heartache, in the night like a thief

He give me love, love, love, love, crazy love
He give me love, love, love, love, crazy love

And I need him in the daytime
And I need him in the night
(Oh yes I do)
When I want to throw my arms around him
Kiss him hug him kiss him hug him tight

When I'm returning from so far away
He gives me some sweet lovin' brighten up my day yeah
And it make me righteous and it makes me feel whole
And it make me mellow even to my soul

He give me love, love, love, love, crazy love
He give me love, love, love, love, crazy love
He give me love, love, love, love, crazy love
He give me love, love, love, love, crazy love

(Crazy love)
(Crazy love)
(Crazy love)
