

## Fool That I Am

Rita Coolidge

Oh, I tried to make the best of  
All the sweet love that you gave me  
Maybe I'm crazy  
But I keep on losing ground

Fool that I am, fool that I may be  
When will I ever know what's true  
And if I found out differently  
Would I still love you?

Two hearts breakin', two hearts achin'  
Someone's takin' more than they gave  
Trusting in someone  
Who has no trust in me

Fool that I am, fool that I may be  
When will I ever know what's true  
And if I found out differently  
Would I still love you?

Fool that I am, fool that I may be  
When will I ever know what's true  
And if I found out differently  
Would I still love you?  
Would I still love you?
