

Let's Go Dancin'

Rita Coolidge

My love, let me take you by the hand
You don't have to be my man
I just wanna dance with you
My soul is feeling restless
I need to move inside a song
The world is ours whenever we're dancing
We can fly whenever we're dancing
Touch the sky whenever we're dancing
So let's go dancin', baby
Let's go dancin', baby

Let's go dancin', baby
Oh, let's go dancin', baby
Movin' to the music
Let's go dancin', baby

Tonight the music's playin' in my head
I don't want to be alone
Let's go out and dance instead
My soul is feeling restless
I need to move inside a song
The world is ours whenever we're dancing
We can fly whenever we're dancing
Touch the sky whenever we're dancing
So let's go dancin', baby
Let's go dancin', baby

Let's go dancin', baby
Oh, let's go dancin', baby
Movin' to the music
Let's go dancin', baby

Oh, let's go dancin', baby
Let's go dancin', baby

Oh, let's go dancin', baby (let's go dancin', baby)
Let's go dancin', baby (baby)
Movin' to the music
Let's go dancin', baby
