

# Most Likely You Go Your Way (And I'll Go Mine)

Rita Coolidge

You say you love me  
And you're thinkin' of me  
But know you could be wrong  
You say you told me  
That you wanna hold me  
But you know you're not that strong

I just can't do what I done before  
I just can't beg you any more  
I'm gonna let you pass  
And I'll go last  
Then time will tell just who is fell  
And who's been left behind  
When you go your way and I go mine

Say you disturb me  
And you don't deserve me  
But you know you sometimes lie  
You say you're shakin'  
And you're always achin'  
But you know how hard you try

Sometimes it gets so hard to care  
It just can't be this way ev'rywhere  
And I'm gonna let you pass  
Yes, and I'll go last  
Then time will tell just who is fell  
And who's been left behind  
When you go your way and I go mine

Sometimes it gets so hard to care  
It just can't be this way ev'rywhere  
And I'm gonna let you pass  
And I'll go last  
Then time will tell just who is fell  
And who's been left behind  
When you go your way and I go mine

You say you're sorry  
For tellin' stories  
That you know I believe are true  
You say you got some  
Other kinda lover  
And yes, I believe you do

You say my kisses are not like hers  
But this time I'm not gonna tell you why that is  
I'm just gonna let you pass  
And I'll go last  
Then time will tell just who is fell  
And who's been left behind  
When you go your way and I go mine
