

Second Story Window

Rita Coolidge

Live your life however
You want to do whatever
You want to and you'll never die
You can do whatever
You want to do whatever
You want to do
You can try

And you know who your friends are
By looking in their eyes
You know so you smile
But they never realize
What goes on inside every me and you
Keeps on a-rollin' on
Keeps on a-rollin' on

Life just lasts a second
You don't have time to reckon
Things that people say and do
Try to find your secrets
Death is just a sequence
To be one day going through

And you know who your friends are
By looking in their eyes
You know so you smile
But they never realize
What goes on inside every me and you
Keeps on a-rollin' on
Keeps on a-rollin' on

If you can love, then you can
Live forever
You can, live forever if you love
Yeah, just be a giver
And help the poor deliver
Make something less or something more

And you know who your friends are
By looking in their eyes
You know so you smile
But they never realize
What goes on inside every me and you
Keeps on a-rollin' on
Keeps on a-rollin' on
Keeps on a-rollin' on
Keeps on a-rollin' on
