Rita Coolidge

Long ago, so far away  
I fell in love with you  
Before the second show

Your guitar  
It sounds so sweet and clear  
But it's just the radio  
And you're not really here

Don't you remember you told me  
You loved me baby  
You said you'd be coming back  
This way again baby  
Don't you remember you told me you love me baby

Baby, baby, baby, baby, oh, baby  
I love you, I really do

Loneliness is such a sad affair  
And I can hardly wait  
To sleep with you again  
What to say  
To make you come again  
Come back and play to me your sad guitar

Baby, baby, baby, baby, oh, baby  
Don't you remember you told me you love me baby
