

## Words

Rita Coolidge

Smile an everlasting smile  
A smile could bring you near to me  
Don't ever let me find you're gone  
'Cause that could bring a tear to me

This world has lost its glory  
Let's start a brand new story now, my love  
Right now there'll be no other time  
And I can show you all my love

Talk in everlasting words  
And dedicate them all to me  
And I will give you all my life  
I'm here if you should call to me  
You think that I don't even mean  
A single word I say

It's only words and words are all I have  
To take your heart away

You think that I don't even mean  
A single word I say

It's only words and words are all I have  
To steal your heart away  
It's only words and words are all I have  
To steal your heart away  
It's only words and words are all I have  
To steal your heart away, heart away, ya baby
