

Finish Line

Rita Ora

Uh
Uh (Okay)
Uh
(Yeah)

We're gonna win, we got the heart, we got the spirit
We're gonna shout and everyone's gonna hear it
We're gonna shine, we're gonna outshine them rest
Oh, yeah (Uh)
We'll take on the world and we won't stop until we own it
'Cause we're the best and everyone's gonna know it, eh
We want it all, nothing less

We're going hard (We're going hard), we'll be living large
'Cause when we dream, we're dreaming big (Dreaming big)
We're taking it

To the limit, till we win it, till we look behind at the finish line
To the limit, till resistance is gone, we keep pushing on
I won't back down, they can shut us out, gonna run this race till we're in first place
Gonna own this town 'cause we're here and we feel strong

We keep pushing on
We keep pushing on
(We keep pushing on)

We go all the way 'cause it's the only way we know how
Going full speed 'cause we ain't ever gonna slow down
Going full blast, this is our chance, gonna make it count
Yeah, yeah, yeah
We're on a roll, we got a plan, we're on a mission
We taking over and we taking no prisoners
We're kicking all the walls down

We're going hard (We're going hard), 'cause we're going far
'Cause when we dream, we're dreaming big
We're taking it

To the limit, till we win it, till we look behind at the finish line
To the limit, till resistance is gone, we'll keep pushing on
I won't back down, they can shut us out, gonna run this race till we're in first place
Gonna own this town 'cause we're here and we feel strong

We keep pushing on

Dipping in faith, the only way you in the fight
Live everyday like it's the fight of your life, that's right
You gotta dream big when you're taking it

To the limit, till we win it, till we look behind at the finish line
To the limit, till resistance is gone, we'll keep pushing on
I won't back down, they can shut us out, gonna run this race till we're in first place (Yeah, yeah)
Gonna own this town 'cause we're here and we feel strong (Strong)
We keep pushing on to the limit (No, I won't back down), till we win it (No,

I won't hide away), till we look behind at the finish line
To the limit, till resistance is gone, we'll keep pushing on
I won't back down (Hey), they can shut us out (I keep pushing on), gonna run
this race till we're in first place (I keep pushing on)
Gonna own this town 'cause we're here (I keep pushing on) and we feel strong

I keep pushing on
I keep pushing on
I keep pushing on
Yeah (I keep pushing on)
(We keep pushing on)
I keep pushing on
I keep pushing on
I keep pushing on
