

# Joy

Rita Ora

You bring me joy, bring me joy, bring me joy, yeah (Mm-hm)  
You bring me joy, bring me joy, bring me joy (Yeah)

Oh, there's music in the moment if you listen  
You tell me how to love and count my blessings, yeah  
You open up my heart and then you my soul

Oh-oh, oh-oh, whenever I need it (Whenever I need it)  
Let it shine on me, yeah (Oh)  
Oh-oh, oh-oh  
Whenever I want it (Whenever I want it)  
Special to leave right here, oh

You bring me joy  
You give me the feeling  
You show me the meaning  
You take me to the light  
You bring me joy  
You keep me in motion  
With love and devotion  
You make me feel alive  
You bring me joy

You bring me joy, bring me joy, bring me joy, yeah  
Whenever I need it (Whenever I need it)  
Whenever I want it (Whenever I want it, hey)  
You bring me joy, bring me joy, bring me joy, yeah (That's right)  
Whenever I need it (Whenever I need it)  
Whenever I want it  
You bring me joy

Ooh, in the moment, anything can happen (Yeah, yeah)  
I can feel a symphony in the horizon (Ooh)  
'Bout to take my spirit higher than I felt before, uh, yeah

Oh-oh, oh-oh, whenever I need it (Whenever I need it)  
Let it shine on me, yeah (Oh)  
Oh-oh, oh-oh  
Whenever I want it (Whenever I want it)  
Special to leave right here, oh

You bring me joy  
You give me the feeling  
You show me the meaning  
You take me to the light  
You bring me joy  
You keep me in motion  
With love and devotion  
You make me feel alive  
You bring me joy

You bring me joy, bring me joy, bring me joy, yeah  
Whenever I need it (Whenever I need it)  
Whenever I want it (Whenever I want it, hey)  
You bring me joy, bring me joy, bring me joy, yeah (That's right)  
Whenever I need it (Whenever I need it)  
Whenever I want it

You bring me joy

Come on (Woo), alright

You heard what I said (Yes, go)

You bring me joy, bring me joy, bring me joy, yeah

You bring me joy, bring me joy, bring me joy

You bring me joy, bring me joy, bring me joy, yeah

You bring me joy, bring me joy, bring me joy, woo

You bring me joy

You give me the feeling (Yeah)

You show me the meaning (Oh-oh)

You take me to the light (Oh-oh, yeah)

You bring me joy

You keep me in motion

With love and devotion

You make me feel alive (Oh)

You bring me joy

You bring me joy, bring me joy, bring me joy, yeah

Whenever I need it (Whenever I need it)

Whenever I want it (Whenever I want it, hey)

Whenever I need it (Whenever I need it)

Whenever I want it

You bring me joy
