

Love, Die, Repeat

Rita Ora

I've been in my head (In my head)
Overthinkin' 'bout all the time that's left (Time that's left)
Yeah, I'm scared that I'll grow up and forget (And forget)
All that we've become, stay forever young
Yeah, it took me so much time (So much time)
To find all the things I missed in my life (In my life)
Oh, baby, I just wanna stay here and rewind
Then I can play us again and again, an endless night in your bed

So, start that car and drive 'cause there's no time to waste

I wanna love, die, repeat it (Woah, woah)
Can't sleep 'cause I'm always dreamin'
Love, die, repeat it (Woah, woah)
All night, got me in your feelings
I need you ten times over
You'll never need the closure
Love, die, repeat it
Can't sleep 'cause I'm always dreamin'

My friends tellin' me (Tellin' me)
"Rita, you should stop, find some time to breathe" (Time to breathe)
I'm just tryna make, make it through the week (Through the week)
Without acting crazy, 'cause that's my baby

Start that car and drive 'cause there's no time to waste

I wanna love, die, repeat it (Woah, woah)
Can't sleep 'cause I'm always dreamin'
Love, die, repeat it (Woah, woah)
All night, got me in your feelings
I need you ten times over
You'll never need the closure
Love, die, repeat it (Woah, woah)
Can't sleep 'cause I'm always dreamin'

Ain't no sleep tonight, tonight
Ain't no sleep tonight, tonight
I've been in my head (Woah, woah)
Overthinkin' 'bout all the time that's left (Woah, woah)
Yeah, I'm scared that I'll grow up and forget (Woah, woah)
I wanna play it again and again and again and again and again

I wanna love, die, repeat it (Woah, woah), oh, yeah
Can't sleep 'cause I'm always dreamin'
Love, die, repeat it (Woah, woah), yeah, yeah
All night, got me in your feelings ('Cause I'm in your feelings)
And I need you ten times over (Ten times over)
You'll never need the closure (Need the closure, ah, ah, ah)
Love, die, repeat it (Woah, woah)
Can't sleep 'cause I'm always dreamin'
