## Radioactive

Palms to the sky We unite I'm feeling, I'm feeling it, feel-feeling it We rise tonight (Hey, take a look at you) (Hey, take a look at you) I'm checking you out in your sweet desire I'm coming over to make you mine It's a crime, boy, you're so fine I'm taking you out, boy, it's a green light I'm glad you came over, it was about time It feels right, boy, you're so fine This goes radioactive Drop the ball, let me feel the beat This goes radioactive Drop the ball, let me feel the beat Palms to the sky You know, I'm feeling, I'm feeling it, feel-feeling it We rise tonight Palms to the sky We unite, I'm feeling, I'm feeling it, feel-feeling it We rise tonight Moving on me as the world ends This nuclear heat is a beautiful air You might not live to tell This goes radioactive Drop the ball, let me feel the beat This goes radioactive Drop the ball, let me feel the beat Palms to the sky You know, I'm feeling, I'm feeling it, feel-feeling it We rise tonight Palms to the sky We unite, I'm feeling, I'm feeling it, feel-feeling it We rise tonight (Hey, take a look at you) Palms to the sky You and I Palms to the sky You and I Palms to the sky

You and I We rise tonight Palms to the sky You know, I'm feeling, I'm feeling it, feel-feeling it We rise tonight Palms to the sky We unite, I'm feeling, I'm feeling it, feel-feeling it We rise tonight We unite, You and I are right tonight We unite, You and I are right tonight We unite, You and I are right tonight You and I are right tonight
