Torn Apart

Rita Ora

I heard him speak but then a saw his face,
I knew we was the one because I dreamt this day,
I was such a beginner on this thing called love,
And now he's going away and now I'm torn apart, so torn apart

You're one of them, you see me swear,
You pullin' triggers let you slide another day,
Say goodbye to the one that got away

Her lips for the very first thing that I saw,
She threw like an angel and that made want some more,
My reputation says I'm there from now,
And now she's going away and now I'm so torn apart, so

torn apart

Never let you give up
But I should've let you got away
Got away, got to find another way
Never let 'em get away
Gotta find a way to stay
Never let 'em get away
Never let 'em get away

You never let her go
You never let her go
You see me?
You hear me?
Ye

You're one of them, you see me swear
You pullin' triggers let you slide another day
Say goodbye to the one that got away
