I'm captured, I'm constrained
I'm in love with Your name
I'm undone and I'm insane
Only You can satisfy

Oh, amazing love, oh, amazing love I've found
Oh, amazing God, oh, amazing God come down

I'm surrounded, and I am safe
I'm bound by cords of grace
I'm broken but I am strong
Only You can satisfy

Oh, amazing love, oh, amazing love I've found
Oh, amazing God, oh, amazing God come down

I'm convinced and I'm sure
I'm abandoned solely for

Oh, this amazing love, oh, this amazing love
Oh, amazing love that I've found

Oh, amazing God, oh, amazing God
Oh, amazing God come down, come down

Oh, amazing love, oh, amazing love
Oh, amazing love come down
