

Come Lord

Rita Springer

My broken heart
My broken h-ear
My broken heart
Longs for You

My weary soul
My weary s-oul
My weary soul
Longs, for You

Come L-ord
C-ome L-ord
Come L-ord, come to m-e

The lonely child
The battered w-ife
The broken man, longs, for You

Oh the shattered home
The abused g-irl
The wandering son, longs, for You
Oh longs for You o-oh
Won't You

Come L-ord
C-ome L-ord
Come L-ord, come to m-e

O-oh
O-h Lord
C-ome, come L-ord
C-ome L-ord
C-ome, Lord, set the captive, free

Set the capt-I've free

The widow longs for You
The poor, they long for You
The diseased, they long for You
