

## Everywhere

Rita Springer

I was standing facing the ocean at a friend's house in San Destin, FL when this song came. Looking out the window playing her piano and watching the ocean groan and lean against the Lord, it made me aware of how I need Him more than ever...

Oh the way the sea crashes on the shore  
And with endless praise glorifies Your name  
Oh the mountains green stand with faithful feet  
Raised to point their song and declare You King  
And I can see You everywhere  
All around me, in the air  
You surround my heart with songs of rare belief  
Creation groans and leans on You  
How I wish that I could too  
Teach me more to be like You  
You wrap Yourself in light  
You ride upon the wind  
You cause the sun to shine  
And obey to rise again  
Of You I stand in awe and fail with words to say  
That all of what You are is why I want to stay
