

I'm Okay

Rita Springer

If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine

When you look at me you see all that's weak and frail in me
You reach for like it's treasure
What it is I must confess, all I ever needed was
To be loved whole, just to be loved whole

If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
I'm just fine
I'm just fine

You're my pot of gold at the end of the rainbow
I'm the reason why you hung the moon
If everything collides, it doesn't matter
I'd do it all over again, I'd do it all over again
If all I had, if all I had was you, oh God
If all I had was you

If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
If all I have is you, I'm okay, I'm okay
If all I have is you, I'm just fine
I'm just fine
