

## Just To Know

Rita Springer

Just to know that I can come and, lay at Your feet  
Just to know that, I won't be, denied  
Just to know that, in You I find, my h-ope  
Just to know  
Just to know

Just to know that my hopes, rest, in Your heart  
Just to know that, You won't, forget  
Just to know that, I am on, Your m-ind  
Just to know  
Just to know

Just to know that, You are always, near  
Just to know all Your promises, will stay, right, here

Just to know that, I won't be, alone  
Just to know that, You can, hold me  
Just to know that, in You I find my home  
Just to know  
Just to know

Just to know that, You are always, near  
Just to know all Your promises, will stay, right, here

Just to know  
It's alright, just, need to know

Just to know  
Just to know
