

# Make You Happy

Rita Springer

Like David who danced  
Like David who said  
I'll be more undignified than this

Like Peter who walked  
Like Peter who stepped  
Out on the stormy sea  
I want it to be me

Turn me around  
I want to make you happy  
Make you happy  
Inside out  
I want to make you happy  
Make you happy

You make me love, You make me see  
You make me jump, You make me scream  
You make me fall Here at your feet In total abandon  
You make me laugh You make me breathe  
You scatter all of My enemies  
You are enough, You set me free You make me happy

Like Paul who was changed  
The same Paul in chains  
Calling the lost to believe

Like Mary who poured  
Her oil on the Lord  
Leaving her sins at His feet  
I want it to be me

Who is like you? I want to be more like  
Who is like you? I want to be more like
