

## Moving With The Lamb

Rita Springer

For I'm moving with the Lamb moving with the Lamb I'm surrounded  
Moving with the Lamb moving with the Lamb I'm surrounded  
I'm strolling with the Lamb I'm strolling with the King of Kings  
Stepping with the Lamb stepping over my sins

For I'm dressed in a holy robe of God I'm surrounded  
By the Host from Heaven's court and the King of Kings  
And I drink from the holy cup of God I'm surrounded

I'm moving with the Lamb  
I'm strolling with the Lamb  
I'm stepping with the Lamb
