

My Hero

Rita Springer

This song came just before a trip to The Ramp in Hamilton, AL f
or a youth conference. I know that it was a song written for a
weekend, but has stayed as one of my favorites!

I have come to give You glory

I have come because You're worthy

I'm alive because You saved me

And I believe that You are all I'll ever need

You are my hero

You are my hero

You are my hero

You are my hero

Nobody saves like You

Nobody stays like You

Nobody loves me like You do

Nobody loves me like You do
