

# No Eye

Rita Springer

Only the Spirit knows  
The deepest thoughts of man

Only the Spirit knows  
The mind of God

Your wisdom is for fools  
And Your foolishness is wise

So I'm coming like a child  
To understand

No eye has ever seen  
No ear has ever heard  
The things You're planning Lord  
The things You're doing  
For all who believe  
No mind can comprehend  
This deepest mystery  
But I hear You speak again  
I think I'll trust again  
I believe

You know I've heard it said  
Oh that, You're the very bread of life  
And I know I've heard You say  
You're water to my soul

But how can I eat of You  
Oh Lord must I, drink Your very blood  
Just help me taste and see  
That You are good

Oh for  
No eye has ever seen  
No ear has ever heard  
The things You're planning Lord  
The things You're doing  
For all who believe  
No mind can comprehend  
This deepest mystery  
But I hear You speak again  
I think I'll trust again  
I believe  
I believe

Oh for  
No eye has ever seen  
No ear has ever heard  
The things You're planning Lord  
The things You're doing  
For all who believe  
No mind can comprehend  
This deepest mystery  
But I hear You speak again  
I think I'll trust again  
I believe

I believe

Oh no, no mind can comprehend  
This deepest mystery  
But I hear You speak again  
I think I'll trust again  
I hear You speak again

I believe
