

Come With Me

Riton

Come with me to the dance floor
You and me, 'cause that's what it's for
Show me now what is it we got to be doing
And the music in the house is so...

Yo, let me tell ya about daylight robberies
Raiding properties, kids in poverty
Messed up morally, crooks and wannabes
If we're gonna do it, then we do stuff properly
Look at it cold, cold world, I'm stuck in it
Same guy cookin' it, same guy pushin' it
Boys don't stop 'til the boys on top
YJ's watch got the streets on lock

Yo, Clive, where you at, man?
I'm boxed in big X-5, on my back but I lost it
Come quick, Time, I'm here near Londis
Ok, gimme two minutes, no long ting
Jumped in his whip then we chipped
Quick, Time, bro, let's dip straight out of the bits
Duck the police, man, I'm bustin' it
Tell 'em, "Look for me", goin' nuts with it

Come with me to the dance floor
You and me, 'cause that's what it's for
Show me now what is it we got to be doing
And the music in the house is so...

Yo, let me tell ya about daylight robberies
Raiding properties, kids in poverty
Messed up morally, crooks and wannabes
If we're gonna do it, then we do stuff properly
Look at it cold, cold world, I'm stuck in it
Same guy cookin' it, same guy pushin' it
Boys don't stop 'til the boys on top
YJ's watch got the streets on lock

No tatties that I see
Used to wear Nike and Y-3
Now it's Prada, Balenciaga
Big sawn off, am I bad boy Charva?
Am about, am about ask these lot
These MC's can't keep up
Big GK from the Bradford way
No tatties round here, no time for games

Kens with acres, black Bentayga's
Nike Air trainers, boys get paper
Sold out shows, tryna shut down stages
Plant 'n' pot 'til the police try raid us
Police can't catch us, divs get laughed at
Pull up in a fast jag, matte black
BBCC, not a brother like us
Drugs, sex, drinkin' and a bit of violence

Come with me to the dance floor
You and me, 'cause that's what it's for

Show me now what is it we got to be doing
And the music in the house is so...

Big pump action, whip no traction
Big gold chains and hilltop mansions
I ain't gonna stop 'til I got the lot
'Til I cop the drop, then I drop the top

Right now when you're messin' with the best ov
Big VD, your West Brom Lescott
Little MC's get stepped on
Pull up for the next store, watch how the S5 takes off

Music in the house is-
And the music in the house is-
And the music in the house is-
And the music in the house is-
And the music in the house is-
And the music in the house is-
And the music in the house is-
And the music-
Come with me
Take me away
Take me away
Come with me
