

## Expectations

Rittz

If you're ready  
If you're ready  
If you're ready  
If you're ready

If you expect to be my bitch there's some shit that I expect from you  
Most of the shit you already do and that's the shit I'm attracted to  
When the police pull us over tryna search and end up cuffing you  
Better shove all the drugs we have inside your purse up that pussy  
Some might say that's chauvinistic but to me it make perfect sense  
I'ma pay the lawyers for you, I'ma make sure you never have to work a gain  
Girl just straighten up the kitchen, do the laundry, make the bed  
I'll cook every night, I like to take a dab and play the chef  
Just don't ask me who that bitch and I won't ask who is he then  
If you suck my dick every time we fuck, you'll get your pussy eaten  
Don't pull a gun on me, if so, I'll use that gun on you  
If that is understood, then I think I could fall in love with you  
Are you ready bitch?

If you're ready for the next step in this relationship  
There's some shit I expect from you  
I'll make your dreams come true  
If you tell me you accept  
I'll provide for you and give you my protection too  
And then you'll never lose

Yeah, look  
You rub my back, I'll rub your feet then I promise I'm done with cheating  
As long as you agree, then you can have an occasional threesome  
I won't even mind the kissing, you got boundaries and that's understood  
I'll let you go to the strip club, when you do, I'll hit the rub-n-tug  
If I start fuckin' someone up, I expect you to fight his bitch then  
If a dude wanna shoot a shot at you, don't look in his direction  
Don't start an argument 'bout my phone, don't ask me what's my password  
Every once in a while during sex, turn around and say you want your ass fucked  
I don't think that's much to ask for  
You know love's a give and take  
You can drive my car like it's yours but bitch don't trip when I get in late  
We can stimulate each other, if I'm rich, you wish we straight  
Let's create an OnlyFans, to the fans, let's me and you get paid

If you're ready for the next step in this relationship  
There's some shit I expect from you  
I'll make your dreams come true  
If you tell me you accept

I'll provide for you and give you my protection too  
And then you'll never lose
