

One for One

River Whyless

One for one it's one for one
We all go in with someone
Too many lovers too many others to keep up in this world

Keep in line, keep in line
The quality of our time
Be with them only if you only knew that you'd need them again

Whoa oh oh
Whoa oh oh
Whoa oh oh

Tell no one tell no one
What we do when it's done
It's one for one it's one for one
We all go down with someone
Too many lovers too many others to keep up in this world
Too many lovers too many others to give up in this world

Whoa oh oh
Whoa oh oh
Whoa oh oh
Whoa oh oh

I just shot the last man
I just saw the last light
Now I am the last one
Now I am the last one

Oh oh oh
Too many lovers too many others to keep up in this world
Oh oh oh
Too many lovers too many others
Oh oh oh
Too many lovers too many others to give up in this world
Whoa oh oh
Too many lovers too many others to keep up in this world
